QUOTE OF THE WEEK

~ Old Italian proverb...

After the game, the King and the pawn go into the same box.

STILL THREE WAY TIE AT THE TOP!

A boring headline but nothing has changed. **Col**, **Craig** and **Worm** still hang onto a one point lead despite the efforts of those below them.

Mat Skipper and **Steve** managed to pick 8 correct. Sixes and sevens was the popular way.

Gilbert got one closer to **Dan** for bottom spot because **Dan** picked a massive 4 correct.

D ON D GOES ON HOLIDAY

There will be no D on D for a couple of weeks as yours truly and the Little Missus are going to re-introduce themselves to the big shiny thing in the sky on the northern NSW coast. We have cranked the heater up at home to try and acclimatise before our trip.

All things footy tipping must now go to **Artie**. So make sure you get down to the hall to put your tips on or at least contact **Artie** or phone the RSL with your selections if you can't make it.

KO COMP BLOOD BATH!

What on earth just happened?

Here we were, plodding along nicely with 2 KO Comps in full swing heading for a nail biting finish. The KO Comp 1 battle between **Pete** and **Denno** imploded with both picking the Hawks to beat the Demons and being eliminated. There will be an extraordinary meeting of the footy tipping committee tonight to decide what to do with the \$90 prize money. Any suggestions welcome, apart from that one **Denno**, it wouldn't fit.

KO Comp 2 suffered a similar fate with 6 keen KO'sters being eliminated, all picking the Hawks except for **Ronnie Rhodes** who picked Essendon to lose, a big no no as you are not allowed to pick the Bombers to lose. A big smack on the hand to **Ronnie**.

That leaves 3 still alive, **Case**, **Mat M** and **Mick H** with 3 rounds to go. Let's hope at least one survives as the KO Comp coffers are bulging at the moment!

JOKE OF THE WEEK

Two men are getting more and more relaxed in the bar on the 86th floor of the Empire State Building. They have exhausted complaints about wives and work and the world has begun to look a little rosier.

One man turns to the other and says, "Did you know that if you jump out of this window on the south side, there's an amazing wind current that blows you gently in to floor five down below?" "Gedoutahere!", says the other, "No way can that be true".

The other man says, "Look, I'll prove it". He casually walks over to the window, slides aside the glass and jumps. His horrified friend rushes to the window and

sees him speed down, only to disappear just before he should have smashed into the pavement.

Two minutes later the lift doors open and in walks his totally unfazed pal saying, "Told you... fifth floor, window's always open".

"That's amazing, an amazing fluke", he says, at which point he sees his pal stride to the window and throw himself out again. Two minutes later he reappears from the lift doors saying, "No Fluke, guaranteed. Now its your turn".

Excited as well as nervous, the man walks to the window, takes a few gulps of air, then jumps...

Down past the floors he flies, faster and faster, until... splaaat, he is a crumpled mess on the pavement.

At this point the barman looks up from polishing some glasses and says, "Jeeez, you're such an asshole when you're drunk, Superman

INTERVIEW

I thought we should catch up with **Pete** and **Denno** after their infamous lousy tip in the KO comp. After surviving 19 rounds of tipping and being the last 2 left you reckon they would take safer tips!

D on D: Thanks for the time fellas.

P & D: No worries.

D on D: Wasn't your finest moment?

P: Bloody Melbourne. If Fitzroy were still in it I would still be alive!

D: Mongrel Demons. If I could have picked Essendon to lose I would still be in it!

D on D: If you could go back in time who would you have picked?

P & D: SYDNEY!

D on D: Yes, that would have done it.

What should we do with the prizemoney?

D: I think we should split it.

D on D: But you were eliminated.

D: Minor technicality.

P: I think we should donate it to Wikipedia.

D: Bugger that! Let's go halvies.

D on D: We will decide tonight. You didn't go in KO 2 Denno but *you* did Pete, who did you go for?

P: Don't ask personal questions.

D on D: Hawks?

P: Good drop of rain this week.

D on D: I'll take that as a yes. There is still the finals footy tipping yet, maybe you both can redeem yourselves?

P: I'm in, gonna bloody win it too.

D: Dreamin', I've got that in the bag.

P: We'll see, I have a good track record in the finals.

D: Records are made to be broken.

P: Let's have a beer.

D: Good idea, your shout.

P: Bugger off, buy your own!

D on D: Thanks again for your time fellas.

P & D: No worries.
