### IT'S FINALLY OVER

After 23 weeks of intense struggle the final round has been tipped and all cards scrutinised with a severe scrute.

Coming out on top, all on his lonesome, is **Case**, the outright leader on 148 tips correct.

Second spot goes to **Col** and **Craig** just one correct tip away.

Third goes to **Gyro**, a good result considering who he barracks for.

The all important "Stone Motherless Last" goes to **Dan** after a nerve-racking battle with **Gilbert** but **Dan** proved, after much consternation and hard work, to be the worst tipper in the club, well done **Dan!** He gets his money back.

Congratulations to all participants in the comp and especially those who got a bit of chaff back.

### KO COMP

In KO comp 1 only **Case** and **Mat M** are left after **Mick H** picked Sydney to win 2 weeks in a row, a big no no. A shame but dems the rules!

In KO Comp 2 there are still eleven alive with only **Mick H** and **Ronnie Rhodes** being eliminated.

An announcement soon, probably we will carry over into the finals.

As the AFL has decided to make sure any form going into the finals will lose momentum, we have a week to think about it!

### INTERVIEW

The final interviewee for the season is a no brainer with **Case** taking all before him. I caught up with **Case** as he was making a bit of room in his wallet, chucking out old betting slips!

D on D: Thanks for your time Champ.

C: Got a nice ring to it doesn't it?

D on D: I'll ask the questions, and no? You must be very proud?

C: As punch.

D on D: A great effort, left your run a bit late?

C: Never a moments doubt and I appreciate you using the letter C in your interview, C for Courageous Champ of course!

D on D: No, C for Case.

C: Case is actually spelt with a K, Kaas.

D on D: Oh krap. Have you decided what to do with your immense winnings?

K: I'm thinking Hawaii.

D on D: Not quite enough in the winning pool for that is there?

K: Keep in mind I helped Craig all season so I am expecting a big chunk of his winnings.

D on D: That is very generous of Craig?

K: Let's just say we have an arrangement.

D on D: Fair enough. There is still the pick the whole season, finals tipping and the KO comp, going to scoop the pool?

K: You bet your sweet Nellie I am!

I would prefer it if you went back to the letter C.

D on D: You probably will. Thanks for your time Case and well done. And here is your C back

C: Bewdy! You're welcome and thanks.

So this is the final issue of D on D for 2016 and I thank you all for your participation and taking these scribbings as they were meant, with tongue firmly planted in MY cheek! Ooroo.
