VINNIE JOINED BY STEVE

Vinnies solo lead didn't last too long as Steve hitched up beside him in first place, picking 3 and 4 correct respectively. There are still some keen punters breathing down their necks!

What about Case? Picked 6 last week when our average was 2.9, not a bad effort, and no, he didn't miss the Carlton match, the Hawks let him down when they were thumped by Gold Coast, at the MCG of all places, home to many Hawthorn victories. Who'da thunk? None of us.....Oh well.

HALFWAY BBQ

Friday night 16th June. (tonight)

I apologise for the lack of advertising for this event but with the Thursday night games continuing to bug the crap out of Artie and I and the long weekend we weren't sure when to have it and decided on tonight. Everyone welcome of course, footy tippers or not.

KO COMP GETS SMALLER

After last weeks carnage we have seen another three KO'sters bite the dust, leaving 4 very likely candidates in the running. This poses a few questions:

- Will someone win?
- Will we be starting a new KO Comp next week?
- Will this be record prizemoney for our humble KO Comp?

The way things are going it may just well be YES to all the above.....

JOKE OF THE WEEK

A very handsome and even more confident man walks into a bar and takes a seat next to a very attractive woman. He gives her a quick glance, then casually looks at his watch for a moment.

The woman notices this and can't help but ask, "Is your date running late?"

"No," he replies, "I just bought this state-of-the-art watch and I was testing it."

The woman is intrigued and asks, "A state-of-the-art watch? Whats so special about it?"

"It uses alpha waves to telepathically talk to me," he explains.

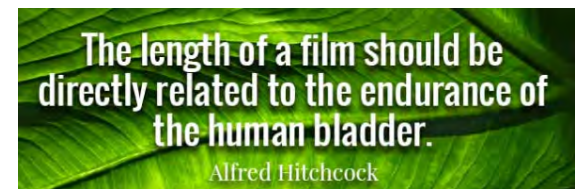

"What's it telling you now?"

Well, it says you're not wearing any panties..."

The woman giggles and replies, "Well it must be broken then, because I am wearing panties!"

The man taps on the face of the watch and explains, "Oh dear, I see I've set it an hour fast.".....

QUOTE OF THE WEEK

TRIAL LADDER

On the notice board I have put up an alternative ladder, seperating tipsters by not only their total correct but using their accumulative margins.

That is, when you write on your card a margin, the differences from the actual margin are added together each week.

That way we have a first through to 53rd place this year.

This will eliminate any ties for a position and we could look at awarding prizes down to fifth, for example.

Give me any feedback as we will probably do this next (2018) season.

TIPSTERS INTERVIEW

This week I thought we should interview someone doing quite well, or at least better than me, in the footy tipping. A newcomer this season, Misty.

D on D: Thanks for your time Misty, how are you finding the footy tipping at the RSL.

M: I just walk up to the letter box on the bar and there it is!

D on D: Yes, of course...you haven't filled your card out very often this year.

M: I know, I can't always get up to the hall, but you put them on for me.

D on D: I am not your slave you know.

M: Do you want to be?

D on D: No. But I am happy to put your tips on, but that's all, and I ask the questions.

M: Sorry. Fire away.

D on D: Umm, who is going to win the flag this year?

M: HOT PIES!

D on D: Surely not?

M: They are going to be red hot in the last half of the season, we are only one game out of the 8, got an easy run home, maybe only drop one or two games, the boys all love Buckley, Pendles is firing, Howie has to wear ear plugs to stop his ears popping...

D on D: Sorry to interrupt Misty but Ok, I get the picture, Pies will kick butt.

M: You betcha.

D on D: Well thanks again for your time Misty and good luck for the rest of the year.

M: You're welcome. GO PIES!
