**WE HAVE A CLEAR LEADER!**

Once again we have a clear leader but this time it's **Ronnie Rhodes** who has poked his proboscis out front and is wagging his bum at the rest of us.

**Ron** and **Darren** both picked 7 this week which shoved **Ron** to the top of the heap where I am sure he hopes to stay. So far this season as soon as someone hits the front they get stage fright and slip down a notch. **Nicks** 5 correct kept him in second spot while **Morgs** 4 correct slipped him down to third. We averaged 4.8 correct, not our best effort but considering the results that are coming in it's probably not too bad!

**KO COMP 3 HITS OFF WITH NO CASUALTIES**

With Pete Broekel wandering around the club grinning like a Cheshire cat and a lump in his trousers (where his wallet is) after winning KO Comp 2 we kicked off KO Comp 3 with 14 keen KOsters ready to suffer, I mean enjoy another closely fought battle to the end. Apart from me, I got KO'd in the first week of the last 2 comps!

I am pleased to report we all came through unscathed and live to fight another day, except we can't pick either Brisbane or Gold Coast to lose this week. Doh!

**JOKE OF THE WEEK: SOME PEARLS OF WISDOM**

Knowledge is knowing a tomato is a fruit; Wisdom is not putting it in a fruit salad.

I realised I was dyslexic when I went to a toga party. Dressed as a goat.

My dad is Irish and my mum is Iranian, which meant that we spent most of our family holidays in Customs.

I went out with an Irish Catholic. Very frustrating. You can take the Girl out of Cork...

It's easy to distract fat people.

It's a piece of cake.

I enjoy using the comedy technique of self-deprecation - but I'm not very good at it.

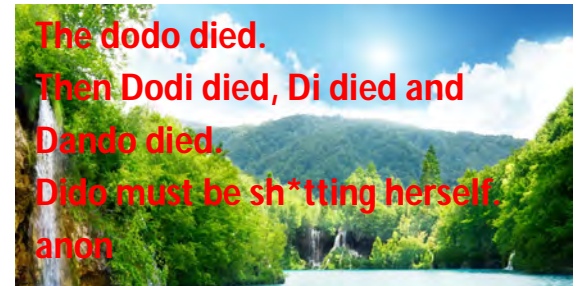

If you're being chased by a police dog, try not to go through a tunnel, then on to a little seesaw, and then jump through a hoop of fire.

They're trained for that.

**QUOTE OF THE WEEK**

**TRIAL LADDER**

Got some positive feedback on the new ladder with margins, looks like we will use it next year. We have to decide what to do with folk who forget to put a margin on? My thoughts are the average margin plus 5? More feedback please.

**TIPSTERS INTERVIEW**

I reckon it's time to see how our new leader, Ronnie Rhodes, ticks. I have left him alone this year but bugger him, he's ripe for the picken'!

D on D: G'day Ronnie, thanks for your time, feeling nervous?

R: Nah, I've been interviewed before.

D on D: No, about being on top of the tipping?

R: Oh, a little bit. But I can stay up there.

D on D: Have you got a secret plan?

R: As if I'd tell you!

D on D: I reckon I know what it is.

R: Do you now?

D on D: Yep, if the Saints keep winning so will you.

R: Crap, who told you?

D: A little bird, and I'll ask the questions thanks.

R: Well go on then!

D on D: Do you enjoy the music Thursday nights?

R: Yeah, I do. I like my music.

D on D: Who's your favourite guitarist?

R: Measle...oops I mean Diesel.

D on D: Ha ha, fill your truck up with measle do you?

R: Rack off, Freudian slip!

D on D: That means you are subconsciously thinking about measles?

R: They are making a come back.

D on D: Where are they playing, Festival Hall?

R: Righto smart arse, just a slip of the tongue, change the subject would ya?

D on D: Good idea. There are 53 tipsters this season, who is your main threat?

R: With 7 rounds left, anyone 7 behind me or better.

D on D: That's 15 tipsters!

R: Yeah, and I'm going to beat the mongrels.

D on D: I admire your confidence, thanks for your time Ronnie, grab me a beer would ya?

R: You are welcome and buy your bloody own!
