### I AM GETTING GIDDY!

With **Ronnie Rhodes** leading last week and reckoning on winning the whole thing, along comes **Nick** and **Morgs** again to out-point him and jump back into the lead. I'm getting giddy! We have had more lead changes than a NASCAR race!

Can someone put their stamp on this comp and stretch the lead at the top? I don't think so, this one will go right down to the wire and we won't know the winner until the final siren in round 23. Exciting isn't it? Not pants wetting but exciting all the same.....

### KO COMP 3 HAS ITS FIRST CASUALTIES!

The Cheshire grin **Pete B** was walking around with last week has been quickly wiped off his face as it emerged that not only did he forget to put margarine on his tits, oops I mean a margin on his tips he picked Brisbane to lose, 2 WEEKS IN A ROW! A big no no in KO Comp land. If he hadn't won \$400 bucks in KO Comp 2 I would feel sorry for him! Bad luck **Pete**.

That still leaves 11 of us alive and kicking and hoping not to make a mistake...what on earth could go wrong?

### JOKE OF THE WEEK:

Two builders, Fred and Bill, are seated either side of a table in a rough pub when a well-dressed man enters, orders a beer and sits on a stool at the bar. The two builders start to speculate about the occupation of the 'suit'.

Fred: "I reckon he's an accountant."  
 Bill: "No way! He's a stockbroker."  
 Fred: "He's no stockbroker! A stockbroker wouldn't come in here!"  
 The argument repeats itself for some time until the volume of beer gets the better of Fred and he makes for the toilet. On entering the toilet he sees that the 'suit' is standing at a urinal. Curiosity and several jugs get the better of the builder...

Fred: "Scuse me...no offence meant, but me and me mate were wondering what you do for a living?"  
 Suit: "No offence taken! I'm a Logical Scientist by profession"  
 Fred: "Oh! What's that then?"

Suit: "I'll try to explain by example....do you have a goldfish at home?"

Fred: "Er...mmm...well yeah, I do as it happens!"  
 Suit: "Well, it's logical to follow that you keep it in a bowl or in a pond. Which is it?" Fred: "It's in a pond."

Suit: "Well, then it's reasonable to suppose that you have a large garden."  
 Fred: "As it happens, yes I have got a big garden."

Suit: "Well then It's logical to assume that in this town that if you have a large garden that you have a large house."  
 Fred: "As it happens I've got a five bedroom house...built it myself."

Suit: "Well, given that you've built a five bedroom house it is logical to assume that you haven't built it just for yourself and that you are quite probably married." Fred: "Yes, I am married, I live with my wife and three children!"

Suit: "Well then it is logical to assume that you are sexually active with your wife." Fred: "Yep! Four nights a week!"  
 Suit: "Well then it is logical to suggest that you do not masturbate very often." Fred: "Me? Never!" Suit: "Well there you are, that's logical science at work!"  
 Fred: "How's that then?" Suit: "Well from finding out that you had a goldfish, I've told you about the size of garden you have, the size of house, your family and about your sex life!" Fred: "I see. That's pretty impressive...thanks mate!"  
 They both leave the toilet and Fred returns to his mate. Bill: "I see the suit was in there, did you ask him what he did?" Fred: "Yep! He's a logical scientist!"  
 Bill: "What's that then?"  
 Fred: "I'll try to explain. Do you have a goldfish?" Bill: "Nope"

Fred: "Well then, you're a wanker....."

### QUOTE OF THE WEEK

### TIPSTERS INTERVIEW

I thought we should catch up with Gilbert this week after his perfect round and getting the prize for the closest margin.

D on D: G'day Gilbert, well done last week, fluke?

G: No way José, pure skill.

D on D: Not a bad effort either way. Pete had 9 as well but no margin, was he looking over your shoulder?

G: No, I was looking over his, oops, did I say that out loud?.

D on D: Hmmmm, I see. Why didn't Pete have a margin?

G: Beats me, maybe a lapse in concentration?

D on D: Hey, is that Pete over there?

G: No, that's not him.

D on D: Yep, that's Pete, HEY PETE, over here for a tick mate.

P: G'day mate.....Gilbert.

D: G'day Pete, why didn't you put a margin on last week?.

P: A certain person told me that you don't have to put a margin on in round 17!

D on D: Is that right? Can you reveal who that was?

P: A certain person who *was* sitting right here.

D on D: HEY GILBERT, where are you going?

G: Gotta go to Safeways, get stuff for Wendy.

D on D: But we haven't finished.

G: Sorry mate, must run.

D on D: Well Pete, at least you got 9 right.

P: Yeah, I spose'. But a margin *will* be on my card this week!
