### CASE'S MAGPIE STILL SWOOPING!

Well bugger me dead, **AJ Magpie** still has his beak out in front but this week he has been joined by **Karl** and **Vinnie**, nibbling at his tail feathers. **AJ** leads by margin only.

At least **AJ** didn't shit on **Case** this week, they both picked 6, I reckon **Case** was definitely taking a cheeky peek at **AJ's** pecking order.

With all these upsets it has been a subdued start to the season with everyone still breathing down the neck of our leaders.

**DON'T FORGET A MARGIN** A number of tipsters are forgetting to choose a margin for the **Friday** night game. This could prove costly at the end of the season. If a margin isn't chosen you get the worst margin of the round plus 1.

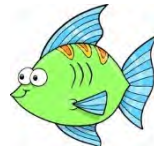

**Bryan, Gilbert** and **Leanne** topped the round picking 7 correct and **Gilbert**, just to rub a bit of salt into the wound, nailed the margin perfectly. Not a bad effort. Especially since he sent his tips via SMS, a photo of his tips written on a cardboard six pack! (Fishing with Pete B)

*Speaking of fishing:*

A Kiwi and an Aussie went fishing one afternoon and decided to have a couple of cold beers.

After a while the Aussie says to the Kiwi, "If I was to sneak over to your house and made wild passionate love to your wife while you were at work, and she got pregnant and had a baby, would that make us related?"

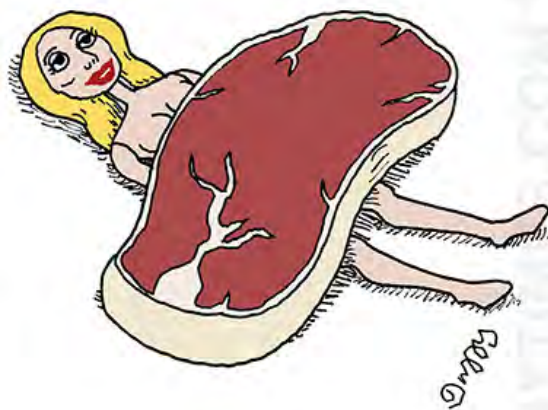

The Kiwi after a great deal of thought, says, "Well, I don't know about related, but it sure would make us even."

### KO COMP CARNAGE AGAIN!

We have had a miserable start to the KO Comp with 16 of the 18 starters eliminated.

Just **AJ Magpie** and **Craig** are left standing and may be going beak and nail for a while yet. We will wait a few weeks before bringing in the dreaded Cellar Dweller rule.....or maybe not.

STEAK ON THE BARBIE

### LOCAL FOOTY STARTS SOON

Monbulk will commence their season on 13th April, playing Belgrave away. Their first 3 games are away, while the new impressive facilities are completed.

It is an exciting time for the club, we won't know ourselves in the palatial new rooms. Get along to watch their games and memberships are now available.

The league is now called the Outer East League with 3 divisions. Premier, First and Second divisions. Monbulk will be in First Division. We have been joined by Pakenham, Doveton and Officer/ROC along with Emerald, Belgrave, Mt Evelyn and Warburton Millgrove.

The Premier League consists of Beaconsfield, Berwick, Cranbourne, Narre Warren, Healesville, Upwey, Olinda, Wandin and Woori Yallock.

CARN THE HAWKS.

### MORE COMMUNITY STUFF

I enjoy listening to 3MDR local radio. There is NO Frank Walker selling National Tiles, but good programmes and good music. I have subscribed to the station (\$30) for the last couple of years. They rely on subscriptions to stay on the air. When you subscribe you have to choose your favourite programme (mine is Bring Down the Birds, Monday nights) and they thank their subscribers on air, good fun, give it a listen.

### INTERVIEW

Bugger interviewing that bloody magpie again so I thought I would pick on, oops I mean choose Gilbert this week, just because I can.

D on D: Not a good start for you this season Gilbo?

G: Nope, not one of my better starts.

D on D: You decided to go fishing with Peter B last weekend, did you catch anything?

G: Yeah, a bloody cold and a headache.

D on D: Was the headache grog related?

G: Might have been, why do you ask?

D on D: Well I got yours and Petes tips via SMS, a photo on what looks suspiciously like a Jack Daniels 6 pack cardboard (note: no margin)?

G: Noooo. That was an orange juice 6 pack.

D on D: I see, had a bottle of vodka did we?

G: Maybe.

D on D: You realise that Moose is on the same points as you and he has you in his sights?.

G: Is bloody Moose in the tipping?

D on D: He sure is.

G: Strewth, I gotta go and study the teams for next week.

D on D: Well thanks for your time Gilbert.

G: No worries, who do you reckon will win between.....
