VINNIE STILL THE ONE TO BEAT!

Vinnie has streaked 2 games clear of the pack and he might take some reeling in if the way the game results are turning out continues.

Danny is still right up Vinnie's ginger but Karl dropped away. There is a perfectly logical reason for that, he didn't put his tips on, and got the worst score of the round minus 1. Come on Karl, get with the programme!

Speaking of Danny:

Danny saw a lady with big breasts. He asked, "Excuse me, can I bite your breasts for \$1000?" She agrees, so they go to a secluded corner. She opens her blouse and the man puts his face in her breasts for 10 minutes." Eventually the lady asks, "Aren't you gonna bite them?" He replies, "No, it's too expensive."

KO COMP CARNAGE AGAIN!

Well, we kicked off KO Comp 2 this week with more carnage on offer. With 17 starters, 9 were eliminated in the first week. This comp shouldn't be that hard but when favourites lose there is a lot of casualties.

Let's see how many can survive this week...

DON'T FORGET THIS WEEKS TIPS

The AFL aren't making it easy for us to run an old fashioned tipping comp with all these early games scheduled. This Good Friday they have 2 games on, one of which is a twilight game starting at 4:20 PM. So make sure you either get up to the club Thursday night or hope Artie has the club open in time before the twilight game commences. We will be open Friday night.

WITH THE ELECTION LOOMING.....

What happens when you give a politician Viagra? He gets taller.

While walking down the street one day a female senator is tragically hit by a truck and dies. Her soul arrives in heaven and is met by St. Peter at the entrance.

"Welcome to Heaven," says St. Peter.

"What we'll do is have you spend one day in Hell and one in Heaven. Then you can choose where to spend eternity."

St. Peter escorts her to the elevator and she goes down, down, down to Hell. The doors open and she finds herself in the middle of a green golf course. In the distance is a club and standing in front of it are all her friends and other politicians who had worked with her, everyone is very happy and in evening dress.

They play a friendly game of golf and then dine on lobster and caviar. Also present is the Devil, who really is a very friendly guy who has a good time dancing and telling jokes.

It is time to go. Everyone gives her a big hug and waves while the elevator rises.

The elevator goes up, up, up and the door reopens on Heaven where St. Peter is waiting for her.

"Now it's time to visit Heaven." So 24 hours pass with the senator joining a group of contented souls moving from cloud to cloud, playing the harp and singing. They have a good time and, before she realizes it, the 24 hours have gone by and St. Peter returns.

"Well then, you've spent a day in Hell and another in Heaven. Now choose your eternity." She reflects for a minute, then the senator answers: "Well, I would never have said it, I mean Heaven has been delightful, but I think I would be better off in Hell."

So Saint Peter escorts her to the elevator and she goes down, down, down to Hell. Now the doors of the elevator open and she is in the middle of a barren land covered with waste and garbage. She sees all her friends, dressed in rags, picking up the trash and putting it in black bags. The Devil comes over to her and lays his arm on her neck. "I don't understand," stammers the senator. "Yesterday I was here and there was a golf course and club and we ate lobster and caviar and danced and had a great time. Now all there is a wasteland full of garbage and my friends look miserable.

The Devil looks at her, smiles and says, "Yesterday we were campaigning. Today you voted for us"

INTERVIEW

I thought I should check in on Moose while he is away on holidays. Also he can't clip me over the ears. But he is coming back.....

D on D: G'day Moose, how's the trip going?

M: It was going good until you rang me.

D on D: Don't be so grumpy. It's just an interview.

M: Not this phone call, the last one.

D on D: What do you mean?

M: The last call you asked how the bus was going and I said it was all good.

D on D: Mmmm.

M: 60 minutes later the alternator seized and I had to get towed into Inverell!

D on D: I had nothing to do with it!

M: You mozzed me.

D on D: I did not.

M: Yes you did.

D on D: Anyway, not too bad in the footy tipping, sitting in 17th only 4 back.

M: Not too bad I reckon.

D on D: Until the Saints start losing.

M: They're in a purple patch and so am I!

D on D: So far so good. Have you picked up any paying passengers on the bus?

M: Of course not.

D on D: Do you have a Myki Card swipe machine on board?

M: Don't be stupid.

D on D: Well thanks for your time Moose and enjoy the rest of your holiday and I hope the bus runs well.

M: You're welcome though you bloody mozzed me again!
