RYLAN AND VINNIE LEAD!

With **Rylan and Vinnie** picking 7 this week they have maintained their position at the pointy end. **Duane** only got 6 to slip one behind with **Peter M**.

Once again the round didn't go as predicted with no-one picking 9 but two astute tipsters picked 8 in **Eilleen** and **Andy H**, well done those two.

Most peoples tips were looking good until the Hawks beat GWS and Richmond beat Fremantle over there. It seems it is always the Sunday games that wipe the smiles off our faces!

Speaking of Vinnie:

Vinnies child asked him, "How were people born?" So Vinnie said, "Adam and Eve made babies, then their babies became adults and made babies, and so on." The child then went to her mother, asked her the same question and she told him, "We were monkeys then we evolved to become like we are now." The child ran back to her father and said, "You lied to me!" Vinnie replied, "No, your mom was talking about her side of the family."

KO COMP CARRIES ON!

After losing one dopey KO'ster the week before the last 4 standing all passed this week with flying colours. But it was close! As a Carlton supporter my son and I were watching the game with delight as the Blues kept their noses in front of the Magpies and it looked like an upset was on the cards! But alas, it wasn't to be, the Maggies rallied and earned the win, but if it had of gone the other way, KO Comp 3 would be starting this week, they all picked the Magpies.

MONBULK F&N CLUB

Apologies for the false alarm last week, Monbulk played away at Emerald. But good news, after this weeks bye they will be hosting Pakenham at home. The new changerooms will be in use but not upstairs yet, the log cabin will be in full swing.

JOKES

One evening, after the honeymoon, Dick was working on his Harley in the garage.

His new wife was standing there by the bench watching him.

After a long period of silence she finally said, "Honey, I've just been thinking, now that we're married, maybe it's time you quit spending so much of your time out here in your garage.

You probably should consider selling your Harley and all that welding equipment; they take up so much of your time.

And that gun collection and fishing gear, they just take up so much space.

And you know the boat is such an ongoing expense; and you hardly use it.

I also think you should lose all those stupid model airplanes and your home brewing equipment...

"And what's the use of those golf clubs?"

Dick got a horrified look on his face.

She noticed and said, "Darling, what's wrong?"

He replied, "You're starting to sound like my ex-wife."

"Ex-wife!?" she shouted, "YOU NEVER TOLD ME YOU WERE MARRIED BEFORE!"

Dick replied, "I wasn't..."

A blonde and a redhead have a ranch. They have just lost their bull. The women need to buy another, but only have \$500. The redhead tells the blonde, "I will go to the market and see if I can find one for under that amount. If I can, I will send you a telegram." She goes to the market and finds one for \$499. Having only one dollar left, she goes to the telegraph office and finds out that it costs one dollar per word. She is stumped on how to tell the blonde to bring the truck and trailer. Finally, she tells the telegraph operator to send the word "comfortable." Skeptical, the operator asks, "How will she know to come with the trailer from just that word?" The redhead replies, "She's a blonde so she reads slow: 'Come for ta bull.'"

INTERVIEW

After Pete's insight in telling us last week that the Hawks will thump GWS, which I ignored, I thought I should get some more insight into the thoughts of a good tipster.....Col.

D on D: G'day Col, thanks for taking the time for an interview.

C: That's ok, I haven't been interviewed for a while, I thought you had forgotten about me, but I don't mind.

D on D: I think this is your best start to the season so far, 2 off the lead?

C: Yeah probably. But other years have been good too, especially when Melbourne are winning which helps me no end. And who knows the Dees might start to string them together what do you think?

D on D: I'll ask the questions thanks Col. But they may very well do.

C: I think they will, how about them teasing Gold Coast last week? They really sucked them into thinking they would win, but Melbourne was always in control.

D on D: Really? The ball hit the post with 2 seconds to go to give the Dees the win?

C: All part of the master plan, that Goodwin is a good coach and he planned it. Can't wait to play West Coast next week and take the wind out of their sails too!

D on D: Fair enough Col, thanks for your time.

C: No worries, I reckon I have 9 in the bag next week and will be outright leader because no-one else will tip the Dees!
