GETTING TIGHTER AT THE TOP!

In a round where if you picked the home games you got 8 correct, that is what just about every bugger did. The stumbling block was the Kangaroos not winning, losing to the Swans by 5 points. If the Kangas had of got up we would have had about 22 tipsters with 9 correct with the margin deciding the winner, and who would have won? It would have been a tie between Bryan and Tracey, with a margin of 1. Oh well, next week..

There were some tipsters that picked the Swans but bugged up on a different game, it just wasn't meant to be.

Speaking of Tracey:

Vinnies child asked him, "How were people born?" So Vinnie said, "Adam and Eve made babies, then their babies became adults and made babies, and so on." The child then went to her mother, asked her the same question and she told him, "We were monkeys then we evolved to become like we are now." The child ran back to her father and said, "You lied to me!" Vinnie replied, "No, your mom was talking about her side of the family."

KO COMP CARRIES ON!

Still no change in the status of the KO comp with the remaining 4 KO'sters all picking their games correct. If this goes on much longer you know what we might consider doing now don't you? So come on play the game and somebody pick one wrong, each week, and we can start again! This might go on forever! lol

JOKES

A young man goes into a chemist to buy condoms.

The pharmacist tells him that the condoms come in packs of three, nine, or 12, and asks which ones the young man wants. "Well," he says, "I've been seeing this girl for a while and she's really hot. I want the condoms because I think tonight's the night. We're having dinner with her parents and then we're going out. Once she's had me, she'll want me all the time, so you'd better give me the 12 pack!"

The young man makes his purchase and leaves.

Later that evening, he sits down to dinner with his girlfriend and her parents. He asks if he may say grace and they agree. He begins the prayer, but continues praying for several minutes. The girl leans over and says, "You never told me that you were such a religious person." He leans over to her and says, "You never told me that your father is a pharmacist."

A child goes to his father and asks, "Father, how do parents think of names for their children?" The father answers, "Well, son, the night before the mother

gives birth, the father goes into the woods and camps for the night. When he wakes the following morning, the first thing he sees is what he names his child, which is why your sister is named Soaring Eagle. Why do you ask, Rabbit Poop?"

I wonder what my parents did to fight boredom before the internet. I asked my 17 brothers and sisters and they didn't know either.....

UNDERCOVER INVESTIGATION

I have had my suspicions about AJ Magpie for a while. Was AJ just a figment of Case's over active imagination or was AJ actually real and doing his own tips?

I decided to do an undercover investigation and track AJ's every movement.

So on a Saturday afternoon I snuck around to Case's place and sure enough, there was AJ perched on the lounge room window ledge making silly noises. Upon closer investigation I realised AJ was watching the Collingwood v Carlton game through the window. That explains the silly noises, Carlton were in front.

I decided to wait until the end of the game to check his reaction.

Collingwood got up and won and AJ was emitting the most beautiful warble. Obviously a very happy magpie supporter, so I deduced that AJ really does know his football.

All of a sudden AJ took flight and I did all I could to race back to my car and take pursuit. I suspect a few locals had thought I had finally lost it when I went racing down David Hill Rd with my head hanging out of the car looking at the sky. Hot on his tail I followed him down the main street and bugger me dead, he went straight into the bottle shop, had a chat with a few people, ordered a couple of slabs for

home delivery and took off in the direction of Case's place. I think it proves beyond a shadow of a doubt that, although AJ behaves exactly like Case does, he is his own bird and tips accordingly! Over an out.
