THERE IS MOVEMENT AT THE STATION!

Just when you reckon things are starting to settle down someone bobs up, waves their hand and leaps to the lead.

Pete Frazer did just that.

With Pete and six others picking 8 correctly this week, it created movement at the top and Pete just squeezed his proboscis in front enough to pop out on the top. If the Doggies could have knocked off the Kangas we would all had 9 correct, but how were we to know Brad Scott was going to throw in the towel? Always makes the players go that extra bit...

But there was one bloke who I reckon knew Scott was going to chuck it in! You guessed it, Andy Skipper, our smart arse tipster from Queensland. Not only did he pick that one correct he picked all the others correct as well, picking 9 and slipping the \$20 dollar prize into his sweaty wallet (it is warmer up there). Well Done Andy, well deserved and bloody hard to do this season as we have all found out!

Speaking of Andy Skipper:

A Police officer pulls over Andy: "Your tail light is broken, your tyres need replacing and your bumper hangs halfway down. That will be 300 dollars.

Andy: Alright, go ahead. They want twice as much as that at the garage.

KO COMP CARRIES ON!

Still no change in the status of the KO comp with the remaining 4 KO'sters all picking their games correct. Won't be long and the cellar dweller rule will be invoked. I reckon about round 14, if required. Nervous???

HALFWAY COUNT

We have decided to do the half way count on Friday night the 14th June.

Come along for a good nights fun as we sneak the "pick the whole season" cards out of Arties Vault and see how well we are going.

The RSL will be providing Roast Beef rolls this year, all welcome. See notice board for more info.

SOME THINGS TO PONDER

What did the Buddhist ask the hot dog vendor?

"Make me one with everything."

You know why you never see elephants hiding up in trees?

Because they're really good at it.

What is red and smells like blue paint?

Red paint.

What do you get when you cross a dyslexic, an insomniac, and an agnostic?

Someone who lays awake at night wondering if there is a dog.

What's brown and sticky?

A stick.

What is the resemblance between a green apple and a red apple?

They're both red except for the green one.

What's the difference between an oral thermometer and a rectal thermometer?

The taste.

There once was pirate captain who, whenever it looked like a battle would be imminent would change into a red shirt.

After observing this behavior for a few months, one of the crew members asked him what it meant.

"It's in case I get shot. I don't want you crew members to see blood and freak out."

"That's very sensible, sir."

At that moment, the crew member spotted eight hostile ships on the horizon.

The captain all of a sudden looked very concerned.

"Get my brown pants."

INTERVIEW

I wanted to interview our new leader but I only interviewed him the other week so I thought I had better pick on, I mean scrutinise our pick 9 winner this week, Andy Skipper. As he is in Queensland I had to phone him, the D on D slush fund didn't have enough in it to fly up there.....actually there isn't enough in it to get a cab to Silvan....but I digress..

D on D: Thanks for taking my call Andy.

AS: No worries.

D on D: Not a bad effort, picking all 9 correct?

AS: Yeah, surprised the shit out of me!

D on D: This is a family publication Andy, mind the language.

AS: Shit, sorry.

D on D: Apology accepted. You still in the Reece tipping up there?

AS: Yep, and kicking butt.

D on D: But you would be the only bloke up there who knows anything about AFL wouldn't you?

AS: There is a couple of other blokes that aren't too bad, but they don't tip.

D on D: I see. How can I get your \$20 to you? Give it to Artie?

AS: Yes, that would be best.

D on D: Great, usually we drink it. Oops, did I say that out loud?

AS: Yes.

D on D: Never mind, slip of the tongue. I promise I will hand it over.

AS: I am sure you will, hand it over the bar no doubt.

D on D: Maybe. You going to win our tipping?

AS: Not sure about that but I am kicking your arse!

D on D: Sorry, must be a bad line, you are breaking up, Andy? Andy? Andy?.....
