### THINGS ARE GETTING TIGHT AT THE TOP!

Most of us have had a shocker this week with the exception of **Grant** who picked 8 but the tussle at the top has got real interesting. Our long time leader, **Rylan**, is now only one in front with one round to go. I bet **Rylan** is chomping on his finger nails before putting on his tips this week. I think he should use all his tipping prowess and ask all his relatives before making his final selections...will be very interesting....

I reckon the top 6 think they are all in with a show, which they are, but if we can learn anything from history the teams that run out next week can be a lot different to a normal week, (remember when Freo sent over their reserves)....good luck to all of you.

### WHO WILL COME OUT ON TOP IN THE FINALS?

With the Brisbane Lions sitting on top of the ladder, laying in the sun licking themselves, are they the ones to beat?

I consulted my crystal balls (I have 2 of them because I like a second opinion) and they both said that his will be another fairytale year. So that tells me it will be a Western Bulldogs/Brisbane grand final, first versus eighth as it stands at the moment. Now my balls have been known to be wrong, but not often....

### END OF SEASON AWARDS AND FINAL PICK THE WHOLE SEASON

It has been confirmed that our awards night will be on Friday night the 30<sup>th</sup> August. There is no footy on because the poor things are having a week off before the finals so we have to do our own thing. Maybe I can find a copy of the 1970 grand final....yeah that'll do! **Craig** will be serving up another yummy culinary delight for us as we count down the whole season and then give out awards, be there or be square.

### JOKES

Kim Jong Un decided to send Donald Trump a letter in his own handwriting to let him know he was still in the game.

Trump opened the letter which appeared to contain a single line coded message:

Trump was baffled, so he emailed it to his aides, who had no clue either, so they sent it to the FBI.

No one could solve it at the FBI so it went to the CIA. With no clue as to its meaning the CIA finally asked the MSS (Ministry of State Security in China) for help.

Within a few seconds MSS cabled back with this reply:

"Tell the President he's holding the message upside down!"

### CHINESE SICK LEAVE

Ho Chow calls into work and said, "Hey, I no come work today, I really sick. Got headache, stomach ache and legs hurt, I no come work"

The boss says, "You know something Ho Chow, I really need you today. When I feel sick like you do, I go to my wife and ask her for sex. That makes everything better and I go to work. You try that."

Two hours later Ho Chow calls again. "I do what you say and feel great. I be at work soon.....You got nice house."

### INTERVIEW

I thought this week we had better catch up with Col, sitting pretty in second spot and having a stellar season.

D on D: Hi Col, doing very good this year?

C: Yes I am, about bloody time too.

D on D: You have been in our tipping for years, I think this is your best one yet?

C: Yes it definitely is, I am usually thereabouts but this time I am right in it up to my neck, I reckon I will have a good crack next week.

D on D: I am sure you will, who are you going to tip?

C: I think I might go, hang on is this an interview for D on D? I can't tell you what I am going to do then everyone else will know.

D on D: No just between you and me.

C: Oh I see, are you in the running to win?

D on D: I'll ask the questions thanks Col....but no. I am if everyone else tips zero and I get 9....so no.

C: Ok, sorry about that. You sure you won't tell anyone? I don't want to give the other mongrels an edge I am so close so I don't want to jeopardise that.

D on D: Only if you are comfortable telling me Col.

C: Well I am not so stiff bikkies.

D on D: Fair enough. At least you will have bragging rights at home though your wife Karen is doing ok this year too.

C: That's just a fluke I reckon but don't tell her that or I will be in strife.

D on D: My lips are sealed Col.

C: Good, I want my moment in the sun without an angry missus at home.

D on D: No worries mate I won't tell her I promise. Can Karen read?

C: Yes, very well.

D on D: Ooops. I will pin D on D up a bit higher on the notice board, that should do it.

C: Is this going to be in D on D?

D on D: Thanks for your time Col, I really appreciate it.

C: You didn't answer my question.

D on D: I rarely do Col, rarely do .....
