**SEASON OFF WITH A BANG**

With very little reliable form the tipsters are hanging in there with **Steve** and **Gilbert** clinging to an early lead in the opening stages. The round average was 3.7 (last week it was 5) so to pick 5 wasn't a bad effort this week.

**GYRO GETS ZERO!!**

With our regular rule, if you forget to put your tips on you get the worst tipsters score for the round **minus 1**. **Gyro** didn't get his tips on so a quick scan down the list revealed the worst tipper was **Nick** with only one correct.

It harked back to the time when **Artie** picked one right (2010) and **Duane** got zero.....remember this?

This was a photo taken the next Monday of **Duane** at Knox City Fun Centre! Boy were we glad to see him walk into the club to put his tips on! It turns out he was just walking past, reading the form guide, and was heading to the TAB! Thus, after getting **Gyro's** phone number I sent a message informing him of his plight. We will wait with bated breath to see **Gyro** march into the club...

**KO COMP**

Another damaging round in the KO Comp with 7 unlucky KO'sters waving goodbye to the first comp, leaving 4 remaining. Good luck this week **Artie**, **Pete**, **Maree** and bloody **Mick Baldwin!**

**BELIEVE IT OR NOT, YOU CAN READ IT.**

**TIPSTERS INTERVIEW**

Noticed something missing at the club? An eerie feeling that something was not quite right, but couldn't put your finger on it? Well I reckoned my finger is right and I am putting it on Pete "Knuckles" Frazer this week, he has been home convalescing after surgery. I found Pete propped up in bed with all essentials at hand, tranny, TV and beer.

**D on D:** Good to see you Pete, healing well?

**KNUCKLES:** Yeah, no worries, got the all clear from the quack last week and I am back in training!

**D on D:** I heard you got a lump in your trousers removed, half way down your leg!

**KNUCKLES:** Not technically, no, it was a lump halfway down my leg.

**D on D:** Oh, I see.....no use requesting the offcut.....we going to see the operation on Wikipedia? (Pete's wife Anne works for Wikipedia)

**KNUCKLES:** No, not at all. They wanted to film it but I insisted only Stanley Kubrik could do it!

**D on D:** But he's dead.

**KNUCKLES:** Precisely.

**D on D:** Oh. I see.... Hawthorns result on the weekend wouldn't have helped the healing process?

**KNUCKLES:** Not too bad, only popped 4 stitches.

**D on D:** You got off easy! I see you are only 2 off the lead and still alive in the KO, predicting a big year for Team Frazer are we?

**KNUCKLES:** Well I reckon I'm due, haven't won anything since I stopped running it.

**D on D:** Purely coincidental I am sure!

**KNUCKLES:** Precisely.

**D on D:** Looking forward to getting back to the club?

**KNUCKLES:** Yeah, but I haven't missed all the drinking.

**D on D:** Fair dinkum?

**KNUCKLES:** Wanna stubby?

**D on D:** I am a bit parched! (At this point Pete rummages around in his pillows and pulls out 2 cold stubbies)

**KNUCKLES:** Here ya go.

**D on D:** That's why you don't miss it. Where did you pull them from?

**KNUCKLES:** Don't tell the missus, one of the pillows is full of ice and stubbies!

**D on D:** What about the wet patch?

**KNUCKLES:** I tell her it's tears from last weekends game.

**D on D:** Ahh, clever. Thanks for your time Pete and look forward to seeing broaching the bar.

**KNUCKLES:** No worries, any time.
