#### SOME SERIOUS TIPPING GOING ON.

While we averaged 6.6 tips correct this week, most of us picked 7 apart from Dale and Mick Baldwin who picked all 9 correct. With Dale also being only 2 points away on margin he wins the bikkies this week. Not a bad effort by both. Especially Mick, to say he needed a few is an understatement, he has rocketed to 35<sup>th</sup> position after this weeks effort. Sheesh.

#### KO 2 TAKES FIRST SCALP

After getting the first KO comp out of the way a second comp has started with 6 of us interested in the challenge and a chance to win \$60. I asked Artie at the local footy on Saturday who he went as his KO pick? He said "Sydney to beat GWS..fair dinkum ...Why on earth did I go for that game? I could have gone for any game and I went that one" Last time I saw Artie he was backing up to an arse kicking machine!"

Sure enough, after the dust had settled, GWS rolled Sydney by 2 measley points and Artie was KO'd...what was he thinking?!

#### GOOD START TO LOCAL FOOTY

In an entertaining game last Saturday The Monbulk Hawks just scraped in for a win.

With scores level and the final siren imminent a kick forward went over the heads of the pack and rolled through for a goal, much to the delight of the Monbulk supporters but devastating to a gallant Officer FC. The large crowd was entertained all day in a very close fought contest.

Incidentally, it was Monbulks 1000<sup>th</sup> match since the Yarra Ranges Mountain District FL was formed.

Next week Monbulk has a bye but travels to Healsville the week after before another home game against Berwick Springs on May 8<sup>th</sup>. This day is also the clubs Tradies Day, contact Grant Dennison for details.

#### LITTLE JOHNNY AGAIN

Teacher: "If I gave you 2 cats and another 2 cats and another 2, how many would you have?" Johnny: "Seven."

Teacher: "No, listen carefully... If I gave you two cats, and another two cats and another two, how many would you have?" Johnny: "Seven."

Teacher: "Let me put it to you differently. If I gave you two apples, and

another two apples and another two, how many would you have?" Johnny:

"Six."

Teacher: "Good. Now if I gave you two cats, and another two cats and another two,

how many would you have?" Johnny: "Seven!"

Teacher: "Johnny, where in the heck do you get seven from?!"

Johnny: "Because I've already got a freaking cat!"

#### INTERVIEW

This week I thought I should try and grab one of the smart ar..oops, clever tipsters who picked 9 this week in a hard round to do just that. I managed to track down Mick Baldwin to explore the inner workings of his mind....

D on D: G'day Mick and well done this week.

M: What did I do?

D on D: You picked all 9 correct.

M: Pisser, do I win the bikkies?

D on D: Unfortunately, no. Dale did as well and he had a closer margin.

M: Oh crap! Dale's always been a tinny bugger.

D on D: True that. Your beloved Magpies aren't doing too well?

M: We beat your Blues though!

D on D: It's the only game you've won and you are sitting 16<sup>th</sup> on the ladder.

M: How many teams are in it?

D on D: 18.

M: Oh. We have played some tough teams though and it's hard to win in Perth.

D on D: Yes it is but your first 4 games were at the MCG, your home ground and all you could do was beat Carlton, and everyone else is doing that too. What can Collingwood do to improve?

M: It would help if we could get better umpires!

D on D: You really think that's the answer?

M: Bbbbb..loody oath. Bbbbbloody umpires.

D on D: Well thanks for your time Mick and good to see you up and about and smiling even though your team is doing badly.

M: Who have we got this week?

D on D: Bombers.

M: Crap.
