DAD JOKE OF THE DAY

For me, the urge to
sing 'The Lion Sleeps
Tonight' is only
a whim away...a whim
away, a whim away, a
whim away, a whim
away...

GOOD EFFORTS AGAIN THIS WEEK

We are all back on track now with a lot better average again this week, a tipster picking 9 and 2 tipsters selecting round 10 matches instead of round 9.

Yes folks, Ted and Jamie picked the wrong round on their card, getting a week ahead of themselves but no selections for round 9. In fairness because they legitimately put their tips on believing they were picking the next round we have awarded the average of 6 to each. This may be amended after discussing with Artie.

What about Mark? Languishing in last position and determined to stay there so he gets his money back, he made a rash decision and decided to go for winners this week. Not only did he get all 9 selections correct, he nailed the margin exactly. Strewth! If he had of done that earlier he would be up the pointy end vying for real cash. His efforts were to no avail unfortunately....he is still last.

KO 2 ALL CLEAR

No one fell on their sword this week with all tips winning comfortably without any

potential upsets. Still weighing up the cellar dweller option, might give it a couple more weeks, there surely is another upset round on the horizon.

LOCAL FOOTY

On Saturday Monbulk played away to Mount Evelyn. A tight contest early with Mount Evelyn holding a 14 point lead at half time and looking like maybe inflicting our first loss. But Monbulk rallied in the second half to be 3 points up at ¾ time and kicked away in the last kicking 3 goals to one point and running away 23 point winners. 8.8 56 to 12.7.79. Nice to see the goals higher than the points again. We host Emerald this Saturday in what should be a good match.

JOKE OF THE WEEK

A man returns home a day early from a business trip. It's after midnight. While en-route home, he asks the cabby if he would be a witness.

The man suspects his wife is having an affair and he wants to catch her in the act. For \$100 the cabby agrees.

Quietly arriving home, the husband and cabby tip toe into the bedroom. The husband switches on the lights, yanks the blanket back and there is his wife, naked, with a man. The husband puts a gun to the naked man's head.

The wife shouts "Don't do it! I lied when I told you I inherited money.

HE paid for the Porsche I gave you. HE paid for your new 25' Ranger fishing boat.

HE paid for your football season tickets. HE paid for the house at the lake.

HE paid for your golf trip to St Andrews and your new 4 x 4.

HE paid for our country club membership and even pays the monthly dues!"

Shaking his head from side to side, the husband lowers the gun. He looks over at the cabby and says "What would you do?"

The cabby replies, "I'd cover him with that blanket before he catches cold!"

INTERVIEW

This week a story crossed my desk which I thought I couldn't ignore. Let's just say a little bird, no, let's make it a larger black and white bird told me.

D on D: G'day Case, how are you going?

C: Good thanks.

D on D: I see the footy tipping isn't going too flash, everyone on your family is way ahead of you.

C: Lets call it just plain luck, if you will.

D on D: Ok, I'm sure it is. How is your shoulder?

C: Still quite sore, why do you ask?

D on D: I'll ask the questions Case, but I heard you took a tumble.

C: That is correct. My lovely wife Eileen asked me to jump up and down in the rubbish bin so we could fit more in.

D on D: I see, not an unusual occurrence I suppose, what on earth went wrong?

C: Well, just on my last super high jump into the bin, AJ Magpie swooped down on me, caused me to lose balance and me and the bin went A over breakfast with me crashing to the ground with half of me stuck in the bin!

D on D: Oh, that sounds nasty, I heard you were a no show at bowls the next day?

C: Correct, I was very sore..

D on D: Why would AJ do that?

C: I have no idea what came over him.

D on D: Did you give him the \$20 he won the other week?

C: No, I didn't tell him.

D on D: I think we have solved the case, Case. Thanks for your time.

T: Ok, but I'm not a tight arse.....!
