THE FOOTY IS STILL GOING...JUST!

What a weekend of footy it was with upsets galore. We averaged 4.2 correct this week, not too flash at all.

Eilleen picked a credible 6 correct and leapt into the lead by the narrowest of margins but the way the results are rolling in it might be hard to catch her, especially with the AFL bubble in full swing down here.

The shining lights of the round were Rylan, Susie and Mick H all picking 7 correct. Well done you 3 with special mention to our bestest bar person, Belinda, who put Mick H's tips on. Please form an orderly queue while waiting for Belinda's tips this week. ☺

I have printed the round 16 matches today but there is still 2 games up in the air concerning venues. At the time of printing Adelaide v Brisbane may be a fly in fly out to Adelaide and the Freo v Carlton will be in Melbourne but not sure when or where, hopefully by the time you put your tips on all will be clear.

KO 2 DEBACLE

KO Comp 2 has suffered the worst possible outcome with the remaining keen

KO'sters managing to all knock themselves out, strewth we are good aren't we? As such, we have to start again with the original 6 and

the prizemoney will jackpot to KO 3. It will cost us another 10 bucks but we have a nice carrot dangling for the winner. Good luck you 6.

LOCAL FOOTY

On Saturday Monbulk travelled to Officer to play Officer this time.

Officer were gallant in defeat when we met them in Monbulk but were too good on their own dung heap and inflicted Monbulk's first defeat of the season, going down 9.11.65 to 5.9.39. Officer jumped out of the blocks early kicking 3 goals to our 2 points and maintained this lead until the final siren. This week we have a bye and time to lick our wounds getting ready for our round 12 clash at home against Healesville, July 10.

JOKES OF THE WEEK

What is Forrest Gump's password?

1forrest1.

What do you call a can opener that doesn't work?

A can't opener.

There are three types of people in this world. Some that can count and some that can't...

The world tongue twister champion just got arrested. I heard they are going to give him a really tough sentence..

I own the world's worst thesaurus. Not only is it awful, it's awful...

A fire hydrant has H2O on the inside and K9P on the outside...

INTERVIEW

This week I thought I should catch up with one of the clever tippers who picked 7 this week..Belinda!

D on D: G'day Belinda, how are you going?

B: Good thanks.

D on D: Did you realise that you picked 7 this week when you filled in Micks card?

B: I had no idea.

D on D: I didn't think so, why did you fill his card out?

B: He was in Queensland so I did them for him.

D on D: Fair enough. You must really follow the footy then?

B: Nup.

D on D: Oh, so how did you manage to pick so many right when every one else floundered?

B: Bugged if I..oops are you allowed to say that?

D on D: I'll ask the questions thanks Belinda, but just this once.

B: Sorry about that. Bugged if I remember the last time I swore.

D on D: Most unlike you.... So how did you manage to pick them?

B: No idea, Artie just said cross out your winners.

D on D: I think he said cross out your losers.

B: You reckon?

D on D: I do the questions, but yes. So technically you got 2.

B: But the card says I got 7.

D on D: Yes, I have to admit you did. Here is this weeks games, could you cross out your winners for me?

B: You going to Queensland?

D on D: No.

B: Then do the bloody things yourself.

D on D: Yes Belinda. Thank you for your time.

B: You are very welcome, I think.
