## THE FOOTY IS STILL GOING...JUST!

A lot better effort this week with 5 people getting 8 correct, including our leader Eillean. Special thanks to GWS for knocking off Melbourne...NOT! This game stopped 5 people getting 9 and 16 people getting 8!

Eillean has extended her lead at the top of the table and may take some beating. I reckon anyone from the top 9 could catch her but we will have to knuckle down!

Belinda's form took a nosedive this week when she only got 4 correct for Mick while he is away. I wasn't serious when I said cross out your winners Belinda! ☺

## KO 3 UNDER WAY

After regaining our composure after we all knocked ourselves out last week, a bit of normalcy descended on KO Comp 3. Except for Eillean who picked her beloved Demons to beat GWS. As all ready reported they were a real fly in the ointment this week. Good luck to the remaining 5.

## LOCAL FOOTY

This Saturday Monbulk host Healesville, so with spectators allowed to return to watch the game it will be a pleasant change to gather together and cheer our team on. With Healsville scoring their second win of the season over Belgrave we shouldn't expect an easy game. We will return refreshed from the bye last week so I reckon we will give a good showing.

## JOKES OF THE WEEK

1. A priest, a minister, and a rabbi want to see who's best at his job. So they each go into the woods, find a bear, and attempt to

convert it. Later they get together. The priest begins: "When I found the bear, I read to him from the Catechism and sprinkled him with holy water. Next week is his First Communion."

"I found a bear by the stream," says the minister, "and preached God's holy word. The bear was so mesmerized that he let me baptize him."

They both look down at the rabbi, who is lying on a gurney in a body cast. "Looking back," he says, "maybe I shouldn't have started with the circumcision."

2. A man, shocked by how his buddy is dressed, asks him, "How long have you been wearing that bra?" The friend replies, "Ever since my wife found it in the glove box."
3. For his birthday, an old man's nephews secretly hire a call girl for him. When he answers the door she's standing there in a slinky black dress. She says, "I'm here to give you super sex."

After thinking for a minute the old man replies, "I guess I'll have the soup."

## INTERVIEW

This week I thought I should catch up with one of our tippers who sits mid-range on the table..Misty!

D on D: G'day Misty, how are you going?

M: Good thanks, I thought you would never interview me.

D on D: Why would you think that? No one is safe from an interview, you are all fair game.

M: Gulp.

D on D: Good to see you have lost the moon boot.

M: A real pain in the arse that was.

D on D: Your arse?

M: Nup. Dougies, how do you reckon I damaged it, one swift kick in the freckle did it!

D on D: Oh, poor Dougie.

M: He healed quicker than my foot did.

D on D: True that. You are 15<sup>th</sup> on the ladder and 7 off the pace, reckon you'll catch them?

M: If the bloody magpies starting winning some games I will.

D on D: You don't have to pick them every week you know?

M: I reckon that are going to win every week.

D on D: Oookkkaayy. No flexibility there. Will they beat the Tigers this weekend?

M: Off the record..yes.

D on D: I won't tell a soul, I promise.

M: You better not, my other foot is still good.

D on D: I can see that and it explains why my back is against the wall.

M: That leaves other bits vulnerable.

D on D: Gulp..(mental note: get one of those long armed microphones they use on the telly for future interviews). Thanks for your time Misty, I have got to fly.

M: You are welcome, chicken.

D on D: Maybe.
