The official collective noun for squid is actually a "shoal," but Cephalopod fans around the world have united in a petition to make "squad" a bona fide term.

COL HANGING IN THERE!

We now have a 3 way tie at the top with Col just sneaking his nose in front by margin. With 3 rounds to go we are in for a real nailbiter.

With some interesting games coming up over the last 3 rounds this could go anywhere, depending on who picks what.

Last week saw AJ Magpie, Case, Kaz and Val pick 8 correct, (bloody Carlton...just not good enough..yet!), and Freo failing to win at home upset quite a few tipsters.

There are a lot of tipsters not putting there tips on so the rule is, worst tips minus 1 for the round and worst margin plus 1 for the round. To be eligible for the money back "stone motherless last" prize you have to submit tips (albeit badly) each week. As is stands now, Smiley has it in the bag!

LOCAL FOOTY

Wandin proved too strong last Saturday, defeating Monbulk by 10 goals. Monbulk has now slipped out of the top 5 so will need to knuckle down over the last 3 weeks, starting with this weekend when they host 7th placed Upwey-Tecoma, followed by bottom placed Officer then hosting Pakenham in the last round. All winnable games.

Tradies Day this weekend, always a great day and the comedian Dave O'Neill will be performing. See you there!

JOKES OF THE WEEK

**14,000 people are having sex right now.
25,000 are kissing.
50,000 are hugging.
And you... well you're reading this.**

Trust me, I'm not happy about it either.

As an airplane is about to crash, a female passenger jumps up frantically and announces, "If I'm going to die, I want to die feeling like a woman."

She removes all her clothing and asks, "Is there someone on this plane who is man enough to make me feel like a woman?"

An Irishman stands up, removes his shirt and says, "Here, feckin iron this!"

A child asked his father, "How were people born?" So his father said, "Adam and Eve made babies, then their babies became adults and made babies, and so on." The child then went to his mother, asked her the same question and she told him, "We were monkeys then we evolved to become like we are now." The child ran back to his father and said, "You lied to me!" His father replied, "No, your mom was talking about her side of the family."

My friend thinks he is smart. He told me an onion is the only food that makes you cry, so I threw a coconut at his face.

INTERVIEW

I thought I should leave the leaders alone this week so as not to distract them from the job at hand and decided to look further down the ladder, a bit more...lower...there she is..Susie!

D on D: G'day Susie, how are you going?

S: Good Dave, not a very clear line

D on D: I had to ring, a bit out of my range going to Altona for an interview.

S: It would be good to see you.

D on D: I know love..umm I mean Susie. Not going too flash in the tipping?

S: Where am I?

D on D: 22nd. You should pick Geelong more often.

S: But I hate them!

D on D: Ok, but remember, head not heart when it comes to tipping.

S: I know, you tell me over and over.

D on D: Maybe this week Susie, 9 correct?

S: I can only try, I'll send them though as usual.

D on D: Ok. You should move to Monbulk, make things easier.

S: But who will look after mum?

D on D: Other people.

S: Not going to happen Dave.

D on D: Worth a try. What's happening this weekend?

S: Sitting at home, twiddling my thumbs and wishing I wasn't there.

D on D: Oh.

S: What are you up to?

D on D: I normally ask the questions Susie, but I'll be up the Club Friday night, local Footy on Saturday and R&R Sunday.

S: Your weekend is bigger than mine.

D on D: Well..umm.err..maybe. Thanks for your time Susie.

S: You're welcome, catch you next weekend love...I mean Dave.
