WE CAN RELAX, FOR THE MOMENT!

Tipsters returned to good form this week with nine picking eight correct and seven picking seven for an average of 6.4 correct, not bad.

Col is starting to produce the results he has been hoping for and now joins Darky on top of the ladder. Gilbert dropped one to be in second place, is this the start of his slide down the ladder? ☺

SOME PEOPLE SHUN TECHNOLOGY

I received Duane's tips via an email from his brother Dale. Apparently Duane doesn't know how to email and gets his brother to do all the high tech stuff! I think he was a bit embarrassed that I found this out, but is trying to rectify it and tip independent from his brother. So it was no surprise when the missus said there

was a letter for me and upon opening it there was Duane's tips!

YOU CAN'T KEEP THIS FAMILY OUT OF THE NEWS!

Tracey, who is currently in 7th position in our tipping, was up bright and early last Sunday to run against Puffing Billy! 3,500 runners had a crack at beating Puffing Billy, but only 48 runners could do it. Tracey not included. Tracey is fit as a Mallee Bull and ran the 13.2 km race in good time, well done Tracey!

FOOD FOR THOUGHT

How about a floating fixture? After last week's dismal Friday night game where Collingwood gave a limp Carlton a right whoopin', why not reschedule the big Friday night game to showcase a predicted close match? E.g. The Doggies v Sydney or Tigers v Cats match....HmMMM.

TIPSTERS INTERVIEW

This week I decided to pick on, oops I mean interview our new joint leader Col. Col has been in our tipping for years but hasn't got up for a big win yet.

D on D: Thanks for your time Col, you must be enjoying this year?

COL: No worries Dave, been walking round the house grinning like a Cheshire cat, Melbourne are going alright this year aren't they? I reckon they will be in the finals this year, Roosy is good.

D on D: Sorry to interrupt Col. What about Kaz, she tired of your gloating?

COL: Who?

D on D: Your missus, Col.

COL: Ohh, she still reckons she is going to beat me and she reckons her mum Irene is going to as well but I have got news for them as there is no way they will get in front, I am in a purple patch at the moment and will take some beating. Did I mention how well the Demons are going this year?

D on D: Yes.

COL: I reckon Freo might be the team to beat for the flag and probably some other teams will be up there, is the GF in September or October this year if it is October the Maggies might get a look in.

D on D: October unfortunately...

COL: There you go! See what I mean? But don't listen to me as I have been wrong in the past.

D on D: Ok.

COL: But you can't fault my integrity and honesty remember when I alerted you to the fact that you gave me too many correct one round? You even put it in Dave on Deck.

D on D: And it's in again.

COL: You can leave that bit out if you like, what else would you like to ask me, what about politics, I know a fair bit about that, a bit dodgy on religion though so leave that one out. I see you are running out of space so you had better thank me for your time.

D on D: Thanks for your time Col..

COL: No worries if you think of anything else to ask me here's my home number and mobile just in case. You never know me might not have covered everything.

D on D: Thanks Col.
