AMBER SHOWS HER METAL...AGAIN

The girls are starting to show there tipping acumen this week with **Amber, Mark ☺, Irene and Rayleen** all picking 8 this week with **Amber** leaping to equal lead in the comp. You had better watch out guys, I noticed **Gilbert** running a finger around the inside of his collar! The heat is on!

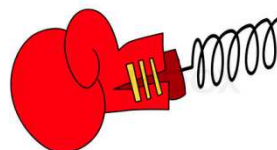

How close is it? 20 tipsters with 5 tips between them and plenty of games left to make a mark on the leaders. Should be a ripper! We averaged 6.1 correct tips this week, not bad.

MICK HYGATE SHOULD BE BANNED?

Hows the form of **Mick H** this week. His tips weren't filled in Friday so I just threw them into Fort Knox as he always emails them through if he doesn't attend the RSL. On checking my emails there was donuts! A quick call to **Mick** on Monday and he reckons he sent them. I told him I didn't receive them but send them to my new email address, but don't change them! This could be risky I thought, Mick sent them through, I checked them and he definitely didn't change them, he got 5. Well done **Mick**. I wish I could do my tips Mondays!

KO CASUALTY!

Everyone escaped unscathed this week apart from Eileen, she picked Carlton to lose 2 weeks in a row, a big no no. This comp would be easy, I would select Carlton to lose for the next 14 weeks! The bye rounds are starting next week, which makes it a bit more difficult at only 6 games per round.

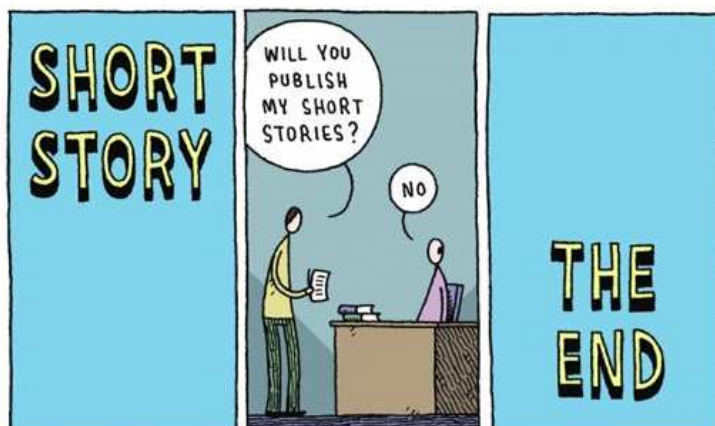

HEADS UP!

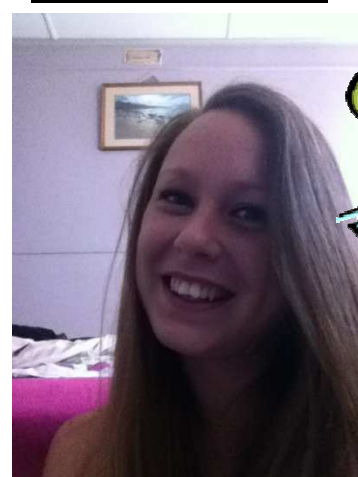

ROUNDS 12, 13, 14 AND 15 HAVE

THURSDAY NIGHT GAMES.

(you can pick the Thu game
and do the rest Friday night)

INTERVIEW – AMBER

I thought it was about time I put a face and personality to

the name that is sitting atop our leader board with Mick and Darky. I took the long drive down to Rosebud and caught up with **Amber**.

D on D: Thanks for the interview Amber.

A: That's ok I think, never been interviewed before.

D on D: Why did you choose the Monbulk RSL Footy Tipping Comp?

A: I used to live in Monbulk.

D on D: Oh, really? Where?

A: With you Dad.

D on D: Oh, yeah, of course. You must be happy with the mighty Tigers this year.

A: Oh yeah! Beating the Bombers last weekend was sweeeeet! I gave Lynden heaps!

D on D: Lynden? Who's he?

A: My boyfriend Dad, he barracks for Essendon.

D on D: Oh yeah, I remember. You reckon you can win this comp?

A: Why not? Providing the Tigers keep winning I will have a crack at it.

D on D: Looking forward to this weekend?

A: Yes, a family holiday at Phillip Island is just what I need, catch up with the niece and nephew while you guys play golf.

D on D: Me too, has London been practising his golf?

A: Lynden Dad, no he hasn't but he sprayed his clubs with Mortein before he got them out of the shed!

D on D: Sounds like he'll be easy pickings!

A: You reckon? Ok, I'll have \$20 bucks he'll beat you.

D on D: You obviously haven't seen me play. No bet....

A: Chicken.

D on D: Are your cats fit and healthy?

A: Yes they are, they are beautiful.

D on D: Don't let any greyhound trainers see them.

A: They wouldn't dare! I would sort them out.

D on D: Well thanks for your time Amber.

A: No worries Dad.

D on D: Stop calling me Dad, I am a serious journo at work here.

A: Whatever.....Dad.
